

Request for Proposal

RFP Issue Date:	01/17/2025	Anticipated Award:	TBD
Title:	Compliance assistance and monitoring DBA/DBRA	Period of Performance:	3 years
Project(s):	TRISTATE	Type of Agreement:	T&M
Prime Contract(s):	Prime contract flow downs will be shared at the time of the award.	Proposal Validity:	180-Days Minimum
Proposal due by January 30,2025 at 14:00 (CT)			

Bid Request: Projeo Corporation invites your organization to submit a written proposal based on the Statement of Work in Attachment 1 and the requirements herein. All proposals must be compliant with this RFP and the documents referenced and attached. Projeo reserves the right to cancel this RFP, to make a partial award, or to make no award if it determines that such action is in the best interest for the project.

Confidential Information: This request should be treated as confidential information and only used for the purposes of responding to this request. The proposer should act to prevent the disclosure to any other person or entity and protect the confidentiality of information received in this request.

Terms and Conditions: The terms and conditions will be negotiated at the time of the award. Applicable prime contract flow-down provisions will be provided and will be incorporated as part of the agreement, including but not limited to QHSE and drug policies. Unacceptable, unreasonable, or inability to arrive at mutually acceptable terms and conditions may result in rejection of the proposal without further discussion.

Proposal Costs: Any effort and costs or expenses incurred by you because of the Request for Proposal shall be your sole responsibility. There is no obligation for Projeo to cover any costs incurred or to make any purchase order award because of this Request for Quotation.

Evaluation Criteria and Right to Reject: Projeo Corporation reserves the right to reject any bids. Bids will be evaluated based on safety, cost, experience, technical/management approach, and availability.

Cost Structuring Requirements: Your Quotation should include unit pricing for any services, materials, transport, fees, and other things which may be necessary for your company to complete the work scope. Please include pricing schedules for any additional work that may be requested that is outside the Scope of Work or in the event of an early finish along with your proposal. If you are unable to supply all the items/services listed, quote what you can provide and make clear the items not provided in your proposal. As part of your proposal, please provide a description of your technical and management approach for conducting the requirements of the Statement of Work.

Insurance Requirements: Projeo requires your organization to carry appropriate insurance for the scope of work described. Copies of insurance certificates, although not requested at this time, will be required prior to issuance of a purchase order for services. The successful contractor may be required to list Projeo Corporations Client as additional insured on their insurance certificate. The following minimum insurance coverage will be required of all contractors and suppliers of onsite services during this project:

Workers Comp. / Employer’s Liability	\$1,000,000 Each	\$2,000,000 Aggregate
General Liability	\$1,000,000	\$2,000,000 Aggregate
Automotive Liability	\$1,000,000 Bodily Injury Per Occurrence	\$1,000,000 Property Damage Per Occurrence
Excess/Umbrella	\$2,000,000	\$2,000,000 Aggregate
Professional	\$1,000,000 Limit	

Invoicing and Payment Terms: Timely invoicing will be required. Payment terms will be NET-60.

Health, Safety, and Environment: Best industry practices shall be used to assure the health and safety of individuals and the protection of the environment. Your company will be responsible for assuring and enforcing all onsite personnel to follow these practices. Failure to meet any of the above requirements may result in the dismissal of a vendor from the project.

Conflict of Interest and Gratuities: By acknowledgement of response to this RFP, you certify that no gratuities were offered by your organization or solicited by Projeo either directly or indirectly.

Questions and Submissions: Bids and/or questions must be submitted to Projeo Corporation on or before the due date to purchasing@projeo.com

Attachment 1 – Statement of Work

SUMMARY OF PROJECT

Projeo is seeking a contractor to assist in the oversight of a projects that require compliance with the Davis Bacon Act (DBA) and Davis-Bacon Related Acts (DBRA), the activities on this project will involve drilling wells.

Project TRISTATE will establish carbon dioxide (CO₂) storage hubs that assist in reducing CO₂ emissions in Central to Eastern United States. The project is estimated to last approximately three (3) years. It is also estimated to have approximately 80 people working on the project including contractors. With this Project, Projeo as the Prime will be charged with the execution and compliance. The Prime does not have extensive experience with DBA/DBRA reporting.

LIST OF SERVICES REQUIRED

Phase I - Planning

- Reviewing the project documents and determining an action plan to ensure DBA/DBRA compliance and to make sure the required information is included on the documents and contracts. The action plan should include a workflow for the execution phase.

Phase II - Execution

- Assessing project DBA/DBRA compliance processes, reporting findings, and making recommendations. This includes evaluating apprentices' plans and fringe benefits. Provide additional processes/documents as required for compliance.
- Assessing labor classifications for compliance under the Prevailing Wage Requirements and providing recommendations. Providing additional assistance and direction as required for compliance.
- Reviewing certified payroll forms, timelines, and reporting requirement updates to ensure compliance. Reporting on findings and submitting recommendations. Assisting in the preparation and completion of the certified payroll reporting and any additional compliance reporting.
- Conducting payroll and job-site reviews for construction work, including interviews with employees, with such frequency as may be necessary to assure compliance by its subcontractors and subrecipients and as requested or directed by the DOE.
- Supporting the project close out phase by conducting a final review of all the documentation and providing guidance during the close out process.

GENERAL REQUIREMENTS

- The contractor shall furnish their services to the project by the required completion date and per the specified schedule.
- The successful bidder will function as a contractor for all work specified and shall be responsible for all supervision, scheduling of work, quality of equipment and workmanship, permits and compliance with all applicable codes and ordinances.
- Use of any subcontractors to provide assigned services shall be subject to the approval of Projeo Corporation.
- The contractor is expected to provide regular project cost updates and provide a regular summary of work to Projeo Corporation representative.

SAFETY AND TRAINING REQUIREMENTS

- The contractor shall always follow all Projeo and industry applicable procedures for safe work practices.
- The work performed shall meet all local, state, and national code requirements and all governing industry and regulatory codes.
- All operations shall be conducted in a manner to protect against harm or damage to life, property, and natural resources.
- Contractor shall ensure that all contractor personnels are aware of the site safety requirements, emergency response plans, and evacuation plans.

PROPOSAL REQUIREMENTS

- Proposals shall be valid for a period of 6 months.

- Contractor should treat each phase individually, providing separate bids for each phase in the proposal. Contractor acknowledges that the award could be partial per Phase.
- Proposal shall include a detailed description of how the vendors plans to manage the service, outlining strategies, processes and team structure to ensure successful completion of the required services.
- The contractor should include a section describing their values and how work is conducted to align with those values as provided in Attachment 1.
- The contractor should provide any subcontractors they plan to use.

SUBMISSION AND RECEIPT OF PROPOSALS

- To be considered, all proposals must be received by due date.
- No proposal conference call and/or site visit will be held.
- All proposals shall include contact information of personnel which can be consulted for any questions or comments on the submitted proposals.
- Failure to submit a timely proposal may disqualify the offer.
